## SMYTH SAYS SKAGGS IS MAN FOR SPEAKER

Although the opening of the legislative session is several weeks away, the question of organization is beginning to occupy the discussions of politicians. The Speakership of the Assembly is the matter most frequently mentioned, and while one or two other candidates have been spoken of, Robert E. Skaggs, of Elko, is generally conceded to be a sure winner.

Mr. Skaggs, or "Bob" as he is more familiarly known, is a great favorite in the eastern part of the State, and that he has many friends in the south and west goes without saying. The sentiments of William Smyth, the democratic member from Ormsby, may be taken as representative of a feeling.

"I favor Mr. Skaggs for speaker," said the Assemblyman-elect, "because he has all the qualifications to fit him to the office. He is honest, independent and capable. He is experienced, having served in two sessions of the Assembly and two in the State Senate, has made a splendid record in each, has a good knowledge of parliamentary law, and in his knowledge of the constitution of the State is surpassed by no other man in Nevada. His knowledge of, and interest in the mining industry, together with the fact that he has always represented an agricultural and stock-raising county, make him a more representative man than anyone else that has been named for the office, and therefore a better man for the general good of Nevada, to sit in the Speaker's chair. How thorough-

ly he is in touch with the popular sentiment and how well he understands the needs of the state is illustrated by the very large majority received in the late election by his constitutional amendment taxing patented mines.

"I understand that the claim is made on behalf of Washoe county that she should receive the speakership because she has the largest delegation. That does not strike me as a very good reason. It simply means that because one county has much power it ought to be given all the power. That is hardly fair to the smaller counties, which while they propose to give Washoe county all she wants in the shape of legislation, have interests of their own to look after.

"If geographical considerations are to enter into the matter, let us give the place to the 'Great East'—to a county that has neither asked nor received this year. Let us hand it to the one of which Bob Skaggs is a favorite son."

General Coxy is in Churchill county promoting an electric line from the railroad to the mining camps in the eastern part of the county.

Nevada will have much more faith in San Francisco merchants the moment the San Francisco Jobbers' associations join in the demand for a terminal freight point in Nevada.

It is reported the miners of Goldfield will demand \$5 a shift.
